MEMORANDUM FOR: Principals, National Foreign Intelligence Board SUBJECT: (APEX Steering Group) 1. On 7 January 1980 the Assistant to the President for National Security Affairs issued Presidential Directive/NSC-55 stating that the President has approved the establishment of a single special access system to be called APEX for the purpose of protecting compartmented intelligence. The Directive instructs me to serve as the Executive Agent for the National Security Council in establishing and operating APEX. 2. I herewith establish two implementing mechanisms. An APEX Steering Group is created to energize, monitor, and staff the various activities encompassed by APEX. The group will be composed of representatives of the Community organizations currently having responsibilities pertaining to compartmented intelligence. I am also establishing a position of Special Assistant to the DCI for Compartmentation (SA/DCI/C) who will chair the APEX Steering Group; he will be supported by a small APEX Control Staff. 3. The establishment of APEX is a major undertaking and will be modular and deliberate. I expect that the administration of APEX STATOTHR policy, guidelines, and procedures will be carried out by relevant APEX DCI Committees in concert with the Steering Group. This staff shall have representatives from several members of the Community; they will be assigned to CIA on a rotational, nonrenewable, reimbursable basis.
